

Montessori International School Genova Summer Camp 2015

Summer Programs: June 29th – July 24th
Thinking about summer? We are!!!

Summer of 2015 is coming!

Summer is a time for friends and fun, enjoy it with us and learn
English, playing, discovering and exploring!

**What's your child doing this summer? Imagine the possibilities with
Montessori Summer Camp!**

Summer camp at Montessori International School offers an unbeatable schedule of
action-packed fun for children ages 2-12.

We believe in the magic of childhood and the joy of learning and playing together.

We want to get to know each child as an individual and meet his or her
developmental needs for nurture, challenge and care.
